Dear Community Band Supporter,

The Liberty Blue Jay Band Boosters are a 501(c)(3) non-profit public charity that provides financial support to the Liberty High School Band program. The Boosters assist with costs not typically included in the school district budgets. Our annual fundraising event, **Jazz & Java**, will be held on April 15, 2023. We had 600 people attend this event in 2022 and anticipate attendance to be equal to or greater for this year. Our goal this year is to raise \$7,500 to be used towards costs of transporting students, instruments, and uniforms for the band during their travel to perform at Disney World in Orlando, Florida this spring.

We are seeking businesses to partner with us either by **sponsoring a table** with a monetary donation or by contributing merchandise, gift cards, or vouchers to be used in our **silent auction**. Contributions are tax-deductible as allowed by law, and all proceeds will go towards supporting the Liberty High School Band.
